## About This Game

**From Dust** is the latest original game concept by Eric Chahi, creator of the cult classic, “Another World / Out of this World”. Immerse yourself in a world as exotically beautiful as it is dangerous! You control the destiny of a primitive tribe against the backdrop of a world in constant evolution—a universe where mighty Nature reclaims what is hers; and your mastery of the elements is your people’s only chance of survival...

### Key Features:

- **Ground-Breaking Technology**

Play in the sandbox of one of the most advanced real-time nature simulations, where everything you see and interact with evolves dynamically, offering a constantly renewed experience.

- **Unique Art Direction**

Discover a large variety of environments: Tropical islands, volcanic landscapes, deserts and so much more...

- **Rich Story Mode**

Explore 13 breathtaking territories of emergent gameplay. Master the natural forces at play on a mysterious archipelago and help a primitive tribe to recover the lost powers of their ancestors.

---

- **Confront Mighty Nature**

Protect your tribe against Nature's most devastating attacks. Face down tsunamis, wildfires, earthquakes, volcanoes, torrential rains...

- **Master Godlike Powers**

Control the forces of nature to sculpt the world in your image. Hold back lava, stop raging waters, empty lakes, grow forests and raise mountains!

- **Live Up to the Challenge**

Race against the clock on 30 additional maps in Challenge Mode. Each scenario is a puzzle-like challenge where time is of the essence...

- **Online leaderboards**

Compare your Challenge Mode scores with the community on worldwide leaderboards.
